Principal Dr. Santos

To the class of 2022,

Congratulations!!
To the graduating class of 2022! The last four years have been a wonderful journey that we have traveled together; a journey filled with awe-inspiring experiences. I honor you for what you have accomplished thus far! Remember, graduating from high school is only the beginning of your journey.

BELIEVE in yourself and keep your DREAMS in the realm of what is possible. I challenge you to make a choice in life that reveals the GREAT human being you are, an amazing human being filled with brilliance beyond imagination. Find your brilliance and let it shine so that others can see it! Never forget that "Once an East Sider, always an East Sider."

MARGARET MURRAY

To the Graduating Class of 2022.
CONGRATULATIONS!

Remember that you have already proven that you can problem-solve and persevere when conflict and hardships surface. You overcame the challenges that this global pandemic wrapped us in. You stayed the course, kept focused, and graduated! Remember that kindness and empathy will always push you in the right direction. You will get love in return when you put love into the world. Don't be afraid to stand for what you believe in, even when others around you do not. You are bold and worthy--you are East Side graduates!

Read on,
-Murray

MARIA QUEIRUGA-PESSOA

Dear Class of 2022,
Congratulations, you made it!

You raised above the challenges
this pandemic. At one point or
another, you might have felt
overwhelmed, depressed, and
perhaps even isolated with all t
restrictions inflicted upon you, y
missed proms, school dances, field
trips, cafeteria lunches with you
friends...But you, the class of 202
reclaimed and sustained your
energy. The East Side spirit was palpable in our classrooms,
assemblies, College Fairs, internships, and club meetings during
remote learning. This year, we return to some sense of
normalcy. Your determination made it possible for you to still
share experiences and build relationships, you adapted and
succeeded, leading you to this point: high school graduation and
the next chapter of your life.

As you pursue the next phase, remember how you overcame
this. If you find yourself in a difficult situation and think about
quitting, never give up. Keep pushing forward. Know that you
are unique and have great potential within you. As a
former East Sider, Class of 1991, I hope these four years here
empowered you to be critical thinkers and enable you to make
wise decisions in the future. Don't be afraid to take risks, as it
can open many opportunities that can lead you to success.
Devote some time each day to learn something new, do
something you love, and don't forget to have fun and laugh.
Once an East Sider, always an East Sider. Best of luck!

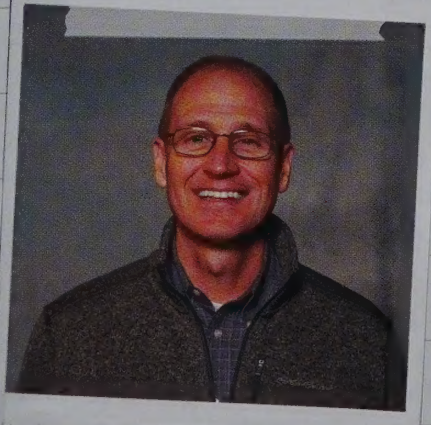
Vice Principals

CARLOS RODRIGUEZ

No More Late Door, No More Uniform Checks, No More Lining Up In The Cafeteria. This all seemed so annoying yet I guarantee that you will always remember these days and will grow to miss them. You are all young adults now with a degree in hand. It is your responsibility to become something great. Congrats!

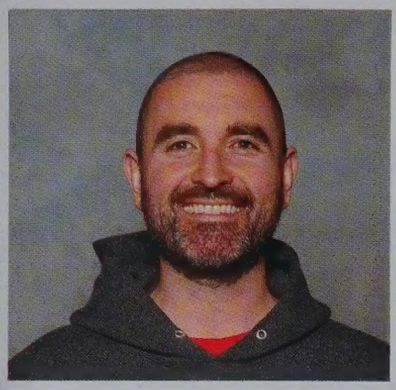
A big shout out to the class of 2022,
For 4 years, we have had the pleasure of watching you grow into these amazing young adults.
We hope your dreams take you to the highest of your hopes, to countless opportunities, and to the most special places your heart has ever known.
My heartfelt Congratulations to the Class of 2022. We are so proud of all of your accomplishments and salute and appreciate you all.

ANOTHONY TAVARES



MICHAEL WEST

Dear Class of 2022, Congratulations. You've not only fulfilled requirements you have conquered fears, reached goals and succeeded far beyond your wildest dreams and when you think about the last four years, you'll probably remember that some of your greatest lessons came from outside the classroom. That's a good reminder that learning doesn't stop just because you received your diploma. Continue to grow, conquer and succeed.
All the Best-Mr. West



BRIAN DONOVAN

Dear students,

This is a special message for all of our beloved students in the Bilingual/ESL Program. I could not be more proud of you all. You must take pride in the fact that you have successfully navigated this journey, especially during this difficult year returning to school in person with a lot of unknowns! Good luck on your next journey and come back to visit!

Sincerely,

Shout out to the Class of 2022.
You've spent half of your high school years during a pandemic, but your resilience and hard work have paid off. Maya Angelou said, "I've learned that no matter what happens, or how bad it seems today, life does go on, and it will be better tomorrow." So here's to better days ahead, better tomorrows, and bright futures.
Go do amazing things, Class of 2022!!!

East Side's National Honor Society and Student Council sponsored a very successful food drive for the benefit of St John's food pantry which services approximately 500 Newark residents a day.

The students had a tour of St Johns Church which was built in 1826 and is the oldest Roman Catholic Church in the city.

SENIORS!!!
On behalf of the athletic department we thank you for all your sweat, blood, laughs and tears the last 4 years. It has not been the ideal senior year with shortened seasons, unexpected shutdowns and seasons moved around because of the Covid virus. Keep in mind, what doesn't break you will make you stronger. You have been resilient, you have faced adversity and you are now ready to take on the world. Speak highly of East Side HS wherever your future takes you and be proud to be a Red Raider.

Class of 2022,

As your time with East Side Volleyball comes to an end, I want to express how grateful I am for your leadership on and off the court. Thanks to you, we were crowned the Newark Board of Education Champions and finished the year with 16 wins - that's no small feat!

Throughout the season, I was continually impressed by your grit and your empathy for others. You always put the team before yourselves, a trait that lead to our tremendous success. It has been an absolute joy watching you grow into strong, intelligent, and fearless young women. I am so proud to know you and to love you!

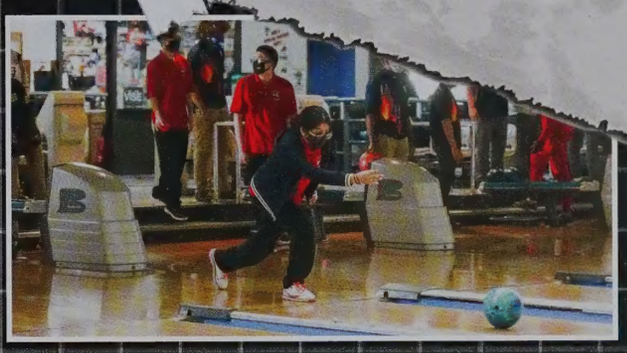
BOWLING



Team,

This year we have seen tremendous growth at the lanes as a team. A few years ago most of you were freshmen just learning about bowling, now we competed for a division title and were represented in the county tournament. Your growth as bowlers is obvious because of statistics, but your growth as the young men and women you are becoming is evident through your behavior, communication, and respect amongst yourselves and your school. I hope to see you all finish your four years with this program and go on to become successful adults. We had a fun year and we are only getting better!

Dear Seniors,

We thank you. Thank you for your commitment, hard work and memories. Because of this you and your teammates became friends and you leave as family which will always be here for you. As you move forward, attack life like you played on the ice. WRESTLING

As a graduating senior athlete, you have been challenged to set your goals high, stretch yourself, and to be industrious in all that you do. You have also been taught that athletics is a preparation for life and what you learn from being on a team is a microcosm of life. The things your coaches taught you about life are about to begin making sense. You will soon see what they meant.

As you graduate, don't forget what you have been taught, both on and off the playing field. Be a leader among family and friends. Be a leader in your community or on your campus. Be a responsible citizen and a good representation of all of those who have invested their time to prepare you for this point in your life. Congratulations Angel Cotto, Alan Loja and Santiago Lema. Upward and Onward!

Girls Lacrosse

To the graduating seniors of East Side GLAX! 4 years ago or 2 years ago, or even just last year, you bright-eyed girls came into this sport with no experience in the sport, but a skill set that would be highlighted once that stick was placed in your hand and that jersey worn loud and proud. Although a year was taken away by a nasty pandemic, last year proved we can pick up where we left off. This year was an even stronger year with more energy and more passion with you as leaders to another group of bright-eyed girls who are coming to this sport with no experience.

As you walk down the aisle with diploma in hand and look towards your future, use what you learned to be the leader that everyone looks up to for guidance and support. When you approach your goals with the same drive and passion as you displayed on the field, gave guidance and support to those around you the way you did with the team, you weren't just learning the game of lacrosse, you were learning how to succeed in life.

Congratulations and God Speed! Forever on our field and in our hearts: Daphne Fancher, Carol Goncalves, Amari Zapata, Nathaly Sacazari, Melissa DeAlmeida, Danielle Campos, Kimberly Yauri, Lesly Zaruma, Princess Coquet, Belanie Rimbas, Emanuelle Andrade, and Jordan Perez

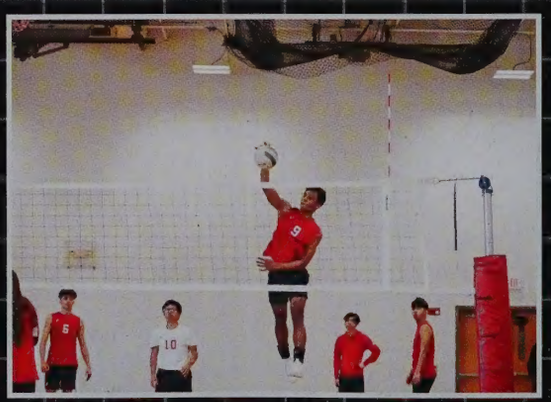
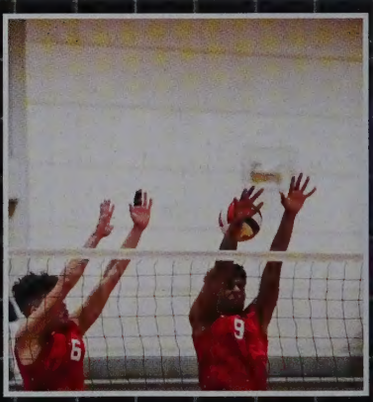
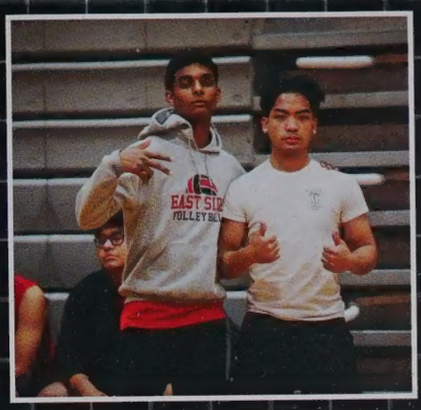
BOYS VOLLEYBALL







Class of 2022,

Every day, I am honored to be your coach. It's not often you are around a group of people who live and breathe the sport the same way you do. I will miss our long arguments and the competitive spirit you brought out of me. I am grateful for the opportunity to watch you become the young men you are today.

I hope that you remember your time on the court as some of the happiest of your high school career. You were each a part of East Side Volleyball history, and your work and dedication to the program will still be felt long after you graduate.

With love,
Coach

Softball

The East Side Softball program looks to be in a rebuilding year this season. The varsity team graduated four starting seniors this past spring and the team will have a completely different roster and a brand new look. This is Coach Capitani's 6th year as the Head Varsity Coach and he now has a new assistant, Coach Vicki Lanza. The coaches and players certainly have their work cut out for them. With the leadership of Captains senior Dayarit "Beba" Taveras and junior Laura Abreu, the transition from the old squad to the new should prove to be exciting. The only other senior on the team is 4 year player Rachel Lucas. Her experience and positive attitude will go a long way in the development of all the fresh, young Lady Raiders.

This years STUCO Team has been legendary! They hit the ground running and guided the school spirit of our beloved East Side. Best of Luck and love with your future successes as you make us proud. Come back and visit us.

Mrs. Wiseman

Dear "Os Académicos" Seniors of 2022,

We congratulate you on conquering this outstanding milestone, particularly during these difficult times. You not only overcame academic challenges, but also achieved personal goals amidst an unprecedented time, one that we only knew from books. Yet, here you are. You made it! You achieved that which seemed impossible four years ago. All of the members of the "Os Académicos" Portuguese Language Club would like to congratulate you and with you all the BEST!

Remember your own, keep them close to your heart. Obrigada Por tudo!

"Once an East Sider, Always an East Sider."

Mrs. Antunes and Ms. Nunes

Dear Seniors of Amnesty International,

It was your leadership in Amnesty International during virtual learning that has allowed this club to survive and bring in younger members looking to make this world a better place. Even though your other responsibilities during senior year limited your involvement in the group, I will always look back at the Class of 2022 as those who started a movement for social justice at East Side High School. Thank you for your love towards humanity and anger towards injustice. Keep that energy wherever you go!

-Mr. Moussab

DEAR YEARBOOK KIDS,
YOU HAVE BEEN AN AMAZING GROUP, AND I HAVE NO DOUBT THAT YOU WILL SURPASS YOUR DREAMS. I HAVE NEVER SEEN SUCH INTELLIGENCE, RESILIENCE, LOYALTY, AND DEDICATION IN KIDS YOUR AGE. AS YOU LOOK BACK AT THIS YEARBOOK, I HOPE THAT YOU CAN BE REMINDED OF THE GREAT TIMES WE SHARED AND BE PROUD OF WHAT YOU CREATED. 363 WILL FOREVER BE HOME FOR YOU.
LOVE,
SOTO

IN DEDICATION TO ALL SENIORS GRADUATING IN 2022, FROM OUR CHESS CLUB, WE WISH YOU THE BEST SUCCESS FOR THE FUTURE ENDEAVORS YOU WILL BE ENCOUNTERING.

YOU ARE ALL WELCOME!!
- MR. PAZ

Seniors!
You have all made it through four years of challenges and celebrations! Many of you became part of our outstanding after-school co-curricular activities at East Side High School! You teamed up with your advisors to create an unforgettable experience in each of the clubs you participated in. May the knowledge you gained from your peers and advisors be used in your future creative projects. Remember to always give yourself time to cultivate your creative ideas.
I look forward to hearing about the great endeavors that unfold for each of you in the future.

With gratitude,

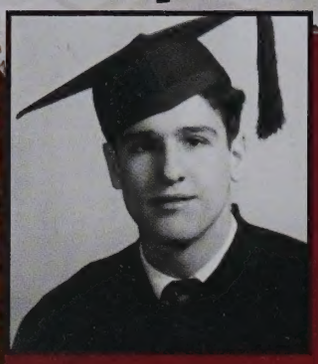
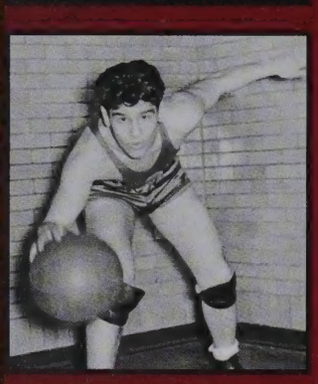
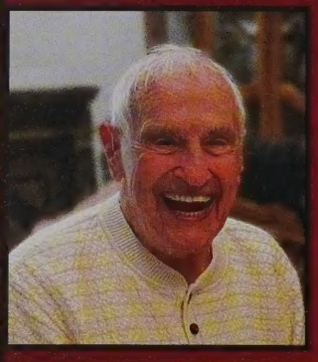
ROSTER OF SUPERIOR MERIT







Born at noon on June 15, 1927, at home on Madison Street in Newark, New Jerse with the bells ringing at the nearby Saint James Catholic Church.

Rocco's name was inspired by the challenges his mother had giving birth to him. S was bedridden and prayed to Saint Rocco for a healthy baby and promised to name h Rocco. His middle name, Vito, is a derivative of an Italian name for "life."

Rocco's father, Guiseppe, emigrated from a small town outside of Rome, Italy. He was processed through Ellis Island and did not speak a word of English. He worked Westinghouse in New Jersey for 44 years without missing a single day of work. He quickly elevated from shoveling coal to helping design equipment.

His mother, Theresa ("Tessie") Giordano, was born in New Jersey. Together, she and Rocco's father raised six children in Newark, New Jersey. Rocco was the middl child raised with three sisters and two brothers, surrounded by many loving relativ He inherited his parent's strong work ethic and family values.

Rocco attended Lafayette Street School and East Side High School in Newark, New Jersey, where he excelled in athletics and was offered several college scholarships. was also named "Most Romantic" and "Best Athlete" at East Side High School. Rocc forfeited the college scholarships over his desire to serve his country during World War II. He left high school during his senior year in 1945 when he enlisted in the United States Navy. Rocco served aboard the ammunition ship, USS Rainier, as Seaman First Class and was awarded the American Theatre and Victory Medals. He was honorably discharged in August 1946 after President Truman signed the Atomi Energy Act.

After his discharge from the Navy, Rocco returned to college. He attended the College of William and Mary, and graduated from the University of Nevada, Reno, i 1952. He later earned a Master's Degree in Human Behavior from the United States International University in San Diego.

Rocco's work life involved a variety of jobs ranging from working at a brewery an popsicle factory, substitute postal carrier, railroad worker, and semi-pro football player. Education, however, was his passion and ultimate career. He returned to Ea Side High School to teach industrial arts and physical education, including coaching football, from 1952 to 1956. He created a recreation program for a housing development in Newark during this same time.

After leaving New Jersey for California in 1956, Rocco worked for one year at Convair, a defense contractor in San Diego, before being hired as a physical educatio and social studies teacher at Juvenile Hall, a detention facility for youth ages 10 through 18. The education program is operated by the San Diego County Office of Education. Rocco was appointed Head Teacher in 1969 and, shortly after that, was promoted to the positions of Vice Principal and Principal. He also taught sociology a psychology in the evening at San Diego City College for twelve years during his 33-ye career at Juvenile Hall, from which he retired in 1990. He was the first Vice-Princip to be selected as President of the statewide Juvenile Court Schools Administrators Council in 1976. At a ceremony In 1988, the Probation Department recognized Rocc with the prestigious "Honorary Deputy Probation Officer" award.

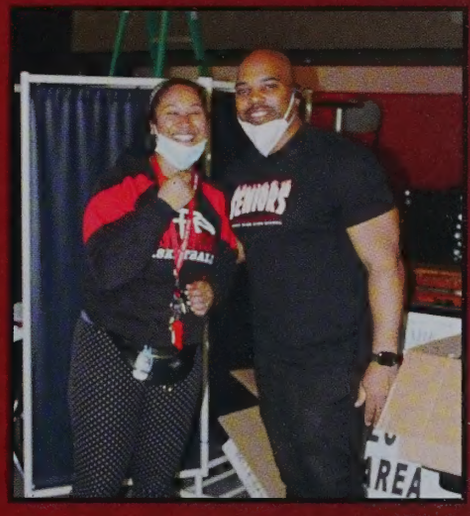
As Principal, Rocco served as a role model to the students, not judging them on wh crime they committed but getting them to engage in education in the relatively shor time they spent in Juvenile Hall. Always wearing a suit and tie, Rocco visited each classroom every day to interact with the students. One of his requirements was for students to address their teachers with the title of "Mr., Mrs., Miss, Ms." before the surname. Accordingly, Rocco was "Mr. Nobile." That all changed when the movie "Rocky" was released! Students quickly referred to their principal as "Rocky," whi he was fine with as it served as a symbol of overcoming obstacles to succeed. He was the "original" Rocky!

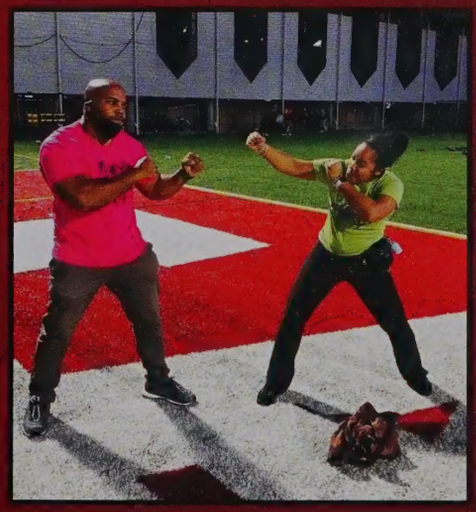
Rocky's life was not all about work. He has traveled the world, visiting every continent except Antarctica, even earning a Reindeer Driver's License in Finland. H was an avid racquetball player until his knees stopped cooperating. He loves Rhodesian Ridgeback dogs and playing Yahtzee every night with his wife. Rocky has two children from his first marriage, seven grandchildren, and five great-grandchildren. He has been happily married to his second wife, Sandra Nobile for 30 years, where they reside in La Jolla, California. She often says, "you can take the man of Newark, but you can't take the Newark out of the man!"

SENIOR CLASS ADVISORS AND COUNCIL

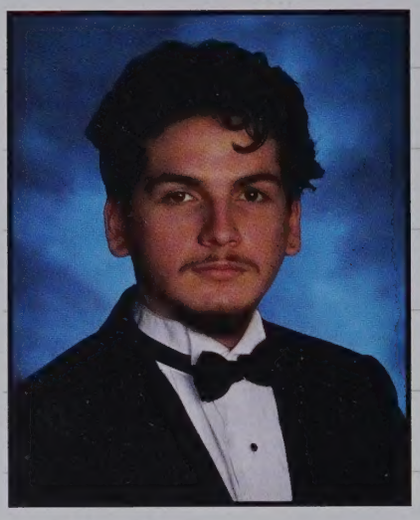
To the class of 2022,
Throughout these four years, you as students have been able to face an obstacle none of us were prepared for. You faced both a worldwide pandemic and the struggles that come with being a normal teenager. Alongside all these struggles, you all still prevailed and concurred high school. Even after experiencing this life-changing event you all were able to come back to some idea of what was once normal. We hope you never forget the struggles you overcame individually and as a class. Allow yourself to use these struggles as weapons against the world you must now face on your own. May these losses and wins over the past four years allow you to concur for the rest of your life. We are proud to have been a part of this chapter as you move on to the next.
Finally, always remember Dare to be Great!

Your Senior Advisors,
Ms. Burchette and Mr. Williams





Valedictorian



Congratulations to the class of 2022! Feels weird when I say that: 2022. Wow we really made it this far no matter how many times some of us said that we were going to drop out. Four years... four years of what we can all agree was a time period of just pure chaos. Chaos that we all have the privilege to say that we overcame and pushed through even when it seemed like the world couldn't. At this rate is there really anything we can't do? Look at us, kids who once believed that we would never walk the stage because of the pandemic, look at what we're doing now. That is perseverance and determination at its finest. Characteristics that we all hold regardless if you are aware of it or not.

Take pride in being an author who is closing this chapter of life and be excited to write the next one, and the next one, and the next one. Like the Black Mamba once said, "May you always remember to enjoy the road, especially when it's a hard one." We can all agree that this road was nowhere near easy; The late nights doing homework, studying for tests the day before, and balancing aspects of life. Do not forget where you came from and take pride in who you all are. We as a class are once again moving forward together and pushing through the challenges that are awaiting us. Take in the moment, seriously, every single one of you. And one last thing, some questioned what would we do if we never walked the stage? I guess we'll never know. Congratulations once again.

Best of luck,
Derick Zelaya Rainho

Salutatorian

Congratulations to the Class of 2022 who for the most part had the unwavering determination to be something great throughout the years. I wanted to start this speech by saying that this year will hopefully be the last graduating class to be affected by Covid. Therefore, I believe that we are at the end of something. We are at the end of this era plagued by social isolation, just like how we are at the end of our high school days. It's important to keep in mind the impact of an ending, good or bad. To know how to remember it so it doesn't crumble to dust, but not to the point where it becomes your only crutch.

In our years here I know a lot of you have tried to find meaning in the things you have to do, searching for an end so you can actually start, and I won't say I'm not guilty of that. But I've learnt that the passions we all strive for are usually locked behind mental barriers we lay out in our minds. We overcome this with the people we meet along the way, the things we teach each other, and even though your time might end together, it only takes a fleeting moment to make an impact. East Side's massive amount of students may seem like a burden at times, but the true power of these numbers are the multitude of impacts that can prove to be timeless. Someone sitting next to you was influenced by you to some capacity, so why not make the most of something before it inevitably ends.

Sincerely,
Brian Januario
